13 Moons and the FDL SHIP Program will be hosting a beginner fishing workshop to teach participants methods of fishing.

**Participants must pre-register!**

**Call or Email Nikki Crowe to sign up!**

Participants will learn how to tie fishing lines and lures, how to cast a fishing pole, how to clean fish and how 1854 Treaty Rights are utilized on and off reservation.

We are asking to have 1 adult for each child for this hands-on learning activity. Participants must commit to both dates on June 26th and 28th.

Dress for the weather, we will be outside.

**This is a no Smoking Event-Dinner will be provided**
