

Public Notice

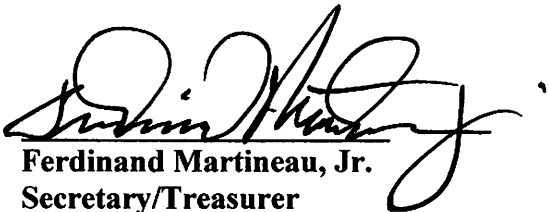

May 4, 2018

On April 30, 2018, an Article X petition was filed against District I Representative Vanessa Northrup requesting her removal from office for malfeasance in the handling of tribal affairs. Band members are advised that copies of the petition are available upon request for fifteen days following this posting.

SECTION 6. Challenges to Signatures

- 6.1 Not less than three (3) days following written acknowledgement or receipt, the responsible official shall prepare and post at the principal office of the band or the MCT both a copy of the entire petition and a public notice advising the members that copies of the petition are available for examination upon request for fifteen (15) days following the posting.
- 6.2 During the period during which the petition is available any adult member of the Band (or the Tribe if it is a petition to the MCT) may challenge a signature on these grounds:
- Forgery;
 - Lack of proper qualifications of the signer based on residence, age or membership; and
 - That a signer appears more than once.
- 6.3 A challenge to a signature must be in writing and supported by written documentation unless the challenge is based on multiple signatures of the same person in which case only one shall be counted.
