RE: 13 Moons Golf Tournament

Hello, Boozhoo, I am contacting you on behalf of the 13 Moons Golf Tournament. This event will help support the costs of introducing Fond du Lac and the surrounding communities to traditional foods used by the Ojibwe at the 13 Moons Gichi Manidoo Giizis Pow Wow 2020. This pow wow brings together Federal, State, Tribal agencies and community members who are taking care of the natural resources from all over the upper Midwest region and Canada. We are seeking financial donations for the golf tournament and the traditional feast for the 13 Moons Gichi Manidoo Giizis Pow Wow 2020.
