The 13 Moons Program is sponsoring a half-day training on Understanding and Using Program Evaluation in Grant Programs. The training is open to all individuals hoping to learn more about **program evaluation, conducting interviews and focus groups, and Institutional Review Boards (IRBs)**. No prior experience with program evaluation is necessary.

Participants will have an opportunity to learn about the fundamentals of program evaluation through an interactive, hands-on training. Breakfast is provided!

Participants should pre-register for this event!

Call or email Nikki Crowe to sign up.
