Gagwe-ondinamaadizon zhooniyaa

Each participant is expected to request financial assistance from their tribe, college, local sponsors, or other sources. The academy has short-term grants, but participants must try to defray their costs and develop a network of financial support to sustain the immersion academy into the future.

If accepted, I will make every effort to fund raise up to \$1,000 to cover my room, board, and materials during the three-week academy. While I pledge to seek financial support, I understand that my participation in the academy is not dependent on my success in doing so.
