

## Silly's on the Sidewalk Food Drive

From October through Christmas each year the food shelves are stocked because people are in a giving mood for Thanksgiving and Christmas (holiday time). However, once the holidays end most people do not have the money to give, or the food to give because they are busy catching up with Christmas bills or holiday bills of their own. By the middle of February the food shelf in Carlton County located in Cloquet begins to struggle to keep up with the demand and ends up in dire need of more donations.

**March is National Food Shelf Month** for that reason, not just here, but around the country. Last year through our donations (yours included) we were able to stock the shelf for a two month period and beyond!

March 22nd is the date of this year's WKLK, Silly's on the Sidewalk event. We start here at 6am and go until 9am. There is another drive we hold in Moose Lake from 9am-11am.

People can drop off non-perishable food items as well as monetary donations at **WKLK Studios in downtown Cloquet and Fond du Lac Tribal Center in the lobby will have a non-perishable food donation bin.**

If you have a monetary donation please see Tammy Anderson in the FDL Planning Division. For every one dollar we give the Salvation Army can buy \$10.00 worth of food. Checks can be made out to the Salvation Army and it must say in the memo line '**Food Shelf**' or it goes into a general fund.

Thank you all for your gracious support in this great campaign.
