

# HAVE YOU RECEIVED YOUR FLU SHOT?

Are you an adult who is immunocompromised or do you have any other condition that makes you a high risk individual for contracting the COVID-19 virus?

*If you are unable to attend a community flu clinic due to concerns of contracting COVID-19, please call Home Health Services at 218-878-3824 to request a flu shot be given in your home.*

*A Home Care RN will schedule an appointment with you.*

Must meet program eligibility requirements.
