

## Community Open House and Job Fair

### Stop by and learn about what we do!

- Learn about the work that we do – we are more than just snowplows and construction
- Get a close up look at the equipment and tools that we use
- See what it's like to drive a snowplow in our Simulator
- Learn about the upcoming Twin Ports Interchange project
- Meet a State Trooper
- Learn about current and future job opportunities and talk with representatives from **UMD** and **Lake Superior College** about career paths
- Application assistance available for Job Seekers

**When:** Saturday, January 26, 2019  
10:00 a.m. – 2:00 p.m.

**Where:** MnDOT Headquarters Building  
1123 Mesaba Avenue  
Duluth, MN 55811

#### Get answers to all your transportation questions!

How do they select projects? \* How do traffic signals work? \* How are roads designed? \* What kind of materials are used to build a road? \* How do they decide when to send snowplows out? \* What does a Civil Engineer do? \* What can you do with a Civil Engineering Technology degree? \* What is MnDOT doing to make roads safer? \* What about those roundabouts? \* What projects are planned for the next ten years? \* What are Connected and Automated Vehicles? \* What jobs are available and how do I apply?

*Refreshments will be provided*

**This is a FREE event – you do not need to register.**

**Everyone is welcome!**

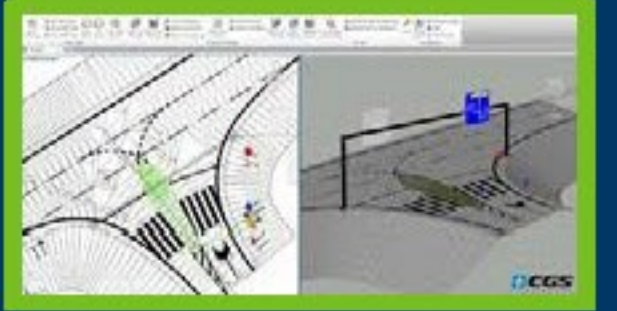

**(218) 725-2700**
