

Don't blow up your computer!

Of the Week!

Here is an interesting spam sent to me. While we do have the option of a voicemail message sent to your inbox it doesn't come from talkrout.net. Do not be fooled!

New voice message in mailbox 1041 on Tuesday, September 11, 2018 at 11:10:30 AM

Voicemail [no-replyvoicemail@talkroute.net]

Sent: Tuesday, September 11, 2018 10:20 AM

You received a voicemail: VOICE473-871-8837.Wav (29 KB)
