

# Plan to get a little more out of Life<sup>SM</sup>

**Enrollment for Supplemental Group Term Life Insurance coverage is coming soon.**

Supplemental Group Term Life Insurance is an important part of your overall benefits package offered by Fond du Lac Reservation, and making sure you have enough can help prepare you for life's unexpected twists and turns.

**PROTECT YOUR  
PEACE OF MIND**

**PROTECT YOUR  
FAMILY**

**PROTECT YOUR  
ESTATE**

**PROTECT THEIR  
SECURITY**

Like many U.S. households, you may already have life insurance coverage, but is it enough? Taking advantage of Supplemental Group Term Life Insurance coverage can play an important part in your overall financial security. The amount of coverage you elect can protect your family, cover funeral expenses, meet unsettled financial obligations or cover college tuition for your children. Regardless of the life stage you are in, life insurance can protect you and those you love.

**Please refer to the enclosed Life Insurance Calculator Worksheet to assess your Insurance needs and determine the right amount of coverage for you and for your family.**

*The calculator worksheet is for educational purposes only - you may want to consult a financial advisor before making final decisions. Note: you may not be able to apply for all suggested coverage through your benefit plan.*

**Please refer to the enclosed Enrollment at a Glance to learn more about your plan and rate information.**

**At your upcoming open enrollment meeting you will receive a personalized packet with additional Life Insurance enrollment information.**
